

## Chief Community Advisory Board

### Mission:

The main purpose of the Police Chief Community Advisory Board is to serve as a resource and connection between an Indiana University Police Department campus division and the students, faculty, staff and the communities the division serves. The Board comprises students, faculty, staff and community members representing student organizations, cultural centers, and community members with diverse backgrounds. IUPD seeks to receive and share Indiana University community input on police matters and public safety concerns. The Board will serve as a bridge of understanding between IUPD and the community by providing awareness so that board members can effectively represent campus community needs to IUPD. The Board will serve as a community resource to enhance public safety.

### Objectives:

The Police Chief Community Advisory Board has four strategic objectives: awareness, communications, monitoring and reporting.

1. The Board will be informed of public safety concerns and is expected to maintain awareness and discuss current events that raise public safety issues.
2. The Board listens to concerns voiced by students, faculty, staff and community members, and responds appropriately.
3. The Board provides input on programs and projects aimed at improving campus safety.
4. The Board establishes a method for reviewing concerns and making recommendations for resolution.

### Appointment Terms:

All Board members shall be appointed by the division Chief of Police in consultation with the Superintendent's Office.

1. All non-student appointments shall be for 2 academic years. All Board members are eligible for three terms of reappointment. Student appointments may vary in length.
2. Vacancies occurring other than through the expiration of terms shall be filled for the remainder of the term of the member being replaced. Those positions will then be filled in the same manner as original appointments.
