CULTIVATING GENIUS

Student Leadership Series and Conference

Are you ready to take your leadership skills to the next level?

Throughout the 2022-2023 academic year, the Office of the Vice President for Diversity, Equity, and Multicultural Affairs (OVPDEMA) invites students to participate in a series of programs designed to inspire and motivate, followed by a special leadership conference in March 2023. The theme for this year's conference is "Cultivating Genius."

During these gatherings, students can expect to learn what it means to be a global citizen, gain insight into power dynamics and equity, acquire knowledge on degree and career preparation, develop skills for the 21st Century, and garner a better understanding of health and wellness and the impact on learning.
