Virtual Town Hall
October 1, 2020, 6-8 PM

The Social Justice in America Series presents the 4th annual Justice Fair and Town Hall. Our national speaker will be Ash-Lee Woodard Henderson, co-executive director of the Highlander Research and Education Center. This year's Town Hall will address issues of great concern, both locally and nationally, including voter suppression and the increase in racially motivated hate crimes across the country, followed by a Q&A session in real time.
