

A Community Where You Belong

Indiana Latino Expo

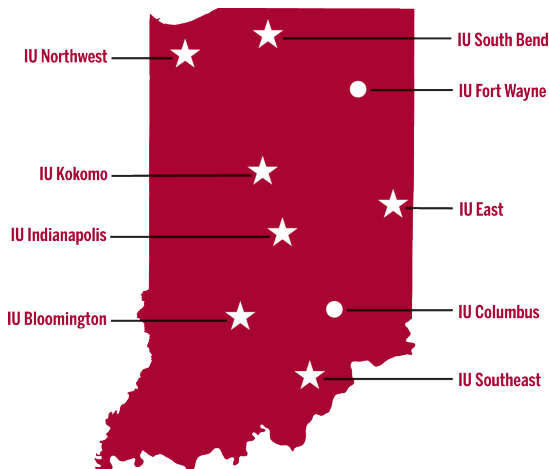

September 7, 2024

Celebrate Diversity

Indiana University's nine campuses offer a welcoming, inclusive environment that feels like home, whatever your background, interests, or goals. So, whether you want a Big Ten college experience, the dynamic pace of an urban research university, the community feeling of a regional campus close to home, or the flexibility of a fully online degree program, you'll find it at IU.

From nursing to criminal justice, epidemiology to environmental science, social work to cybersecurity, and more than 900 academic programs in between, IU gives you the power to study whatever sparks your interest with the support of world-class professors and faculty who care about your success.

Next Stop: College

21st Century Scholars

Indiana University offers 21st Century Scholars supplementary scholarships, academic support, and other resources and tools to support students' personal and professional development.

Stop by IU's booth, learn about Indiana's 21st Century Scholars Program, and confirm and check your scholar status. High school 21st Century Scholars can complete 9th-12th grade Scholar Success Program requirements at the booth.

Speak with IU campus representatives about academics and student life. Plus, learn about the step-by-step guidance you'll receive to ensure you complete your degree on time.

Scholar Success Program

All high school students can participate in the college and career success program experiences. As part of the 21st Century Scholars' experience, a variety of program activities will take place at the IU booth. Completing these activities will fulfill several of your requirements as a 21st Century Scholar. Activities include watching videos and learning important information to help you get on the right track for college and career success!

9th Grade Scholar Success Program

“Paying for College 101”

By ninth grade, it's time to get serious about college costs and the steps you need to save and manage your money. Complete this program requirement by watching an informative video at the IU booth about calculating college costs, saving, and the various types of financial aid available.

“Create a Graduation Plan”

In 9th grade, you must create a high school Graduation Plan. It lists what courses, tests, and other steps you need to complete in high school so you have a clear path to graduation, college, and beyond. You'll update your Graduation Plan each year as your plans for after high school continue to develop. Get started by setting up an account with a scholar representative.

10th Grade Scholar Success Program

“Get Workplace Experience”

Workplace experience helps you better understand certain jobs and work environments. Watch informational interviews of IU alums from various professions, such as business, law, information technology, education, and healthcare as they share their academic and professional journey.

“Estimating College Costs”

Watch the “Estimating College Costs” video and learn how to calculate out-of-pocket costs that you and your family need to consider in preparing to pay for college.

“Take a Career Interest Assessment”

A Career Interest Assessment is a tool that asks you a series of questions to help identify careers that align with your interests and goals. The easiest way to complete this requirement is to access the Indiana Career Explorer account you created when you started your Graduation Plan as a freshman. Scholar representatives can assist you onsite.

11th Grade Scholar Success Program

“Visit an IU Campus” and “Search for Scholarships”

The 21st Century Scholarship can be applied to an eligible two-year or four-year Indiana college. You can meet program requirements at the IU booth by taking virtual tours of IU’s campuses. In addition, you’ll have an opportunity to speak directly with campus representatives to learn more about what IU has to offer.

12th Grade Scholar Success Program

“College Success 101 Video”

As a 12th grader, it’s time to prepare to transition from high school to college. Meet your program requirement by watching a 30-minute video at the IU booth on what you can do to succeed in your classes and make the most of your college experience!

“Submit Your IU College Application”

It’s also time to submit your college application! Take advantage of IU’s application waiver during the Indiana Latino Expo, where you can apply to one or more of IU’s campuses at one time. IU campus representatives will be on hand to assist you through the application process.

We Are Here to Help

Track Your 21st Century Scholar Success Progress Online

The Scholar Success Program includes various activities to keep students on track for success. Each grade level has three activities to complete. You can satisfy these requirements for your grade level and track your progress using ScholarTrack. Follow these simple steps to set up your ScholarTrack account.

Students

1. Visit **ScholarTrack.che.IN.gov** and create an account by selecting “I am a student.”
2. To create an account, you will need to share:
 - Your name
 - Your date of birth
 - Your email address
 - Your Social Security Number or your Scholar ID
3. That’s it! You are ready to start tracking your progress toward your 21st Century Scholarship online.

Parents

1. Visit **ScholarTrack.che.IN.gov** and create an account by selecting “I am a parent or guardian.” Be sure to have the following materials handy:
 - Your email address
 - Your home address
 - Your student’s Social Security Number
 - Your student’s date of birth
 - Your Individual Taxpayer Identification Number (ITIN)

It will take approximately 30 minutes to complete an application in the ScholarTrack system.

2. Once you submit an application, track your student’s progress by clicking on “View/Edit Student.”
3. That’s it! You are ready to start tracking your student’s progress toward the 21st Century Scholarship.

Questions? Email: Scholars@che.IN.gov or call 888-528-4719.

IU Application Waiver

What You Need to Know

All incoming high school seniors may take advantage of IU's application fee waiver during the Indiana Latino Expo. Use this opportunity to apply to one or more of IU's campuses for fall 2024, spring 2025, or summer 2025. IU campus representatives will be on hand to assist you in setting up your IU account and answering questions.

There are several things to keep in mind. If you're a domestic first-time freshman or transfer student, apply to IU by submitting:

- One application that you can direct to all campuses of interest to you.
- Test optional:
 - IU Bloomington and IU Indianapolis will let you decide if you want your test scores reviewed as part of your application. Please visit their admissions websites to determine if this option is right for you.
 - SAT/ACT scores can be self-reported on the application. However, official test scores are required if admitted (IU Bloomington).
- One essay (if you're applying to IU Bloomington or IU Indianapolis).
- There are academic requirements applicants must meet when applying to IU. Please speak with a campus admissions representative to learn more or visit the campus admission website to review admission standards.

The \$65 application fee is waived for Indiana Latino Expo student visitors. Once an applicant selects the primary IU campus, a representative will provide the fee waiver code.

My fee waiver code is: _____.

This code will be required for you to submit your application.
